Subject: Letter to KBIC Tribal President from RA -- L'Anse Warden Electric Company

Please see attached a draft letter from the RA to KBIC concerning the L'Anse Warden Fuel Aggregate and Electric Company. The letter is based on information provided earlier this month by ARD and WD, and has been greatly shortened at the request of the RA's office. Please let me know if you concur with the stormwater-related information in the letter, and if not what changes should be made.

Thanks,

Jenny
